

INFORMATION SHEET

FORMAT

The format is uniform across the levels: Kindergarten, Primary 1, Primary 2, Primary 3, Primary 4, Primary 5, and Primary 6. Kindergarten students are asked to solve 15 problems in 45 minutes; Primary 1, Primary 2 and Primary 3 students are asked to solve 25 problems in 60 minutes; and Primary 4, Primary 5 and Primary 6 students are asked to solve 25 problems in 90 minutes. Students write their responses on an answer sheet. Questions are arranged in a way that the first ones are the easier ones, then the level of difficulty gradually increases so that the last questions are the more difficult ones. JMMC may be taken on paper or online; Paper K (Kindergarten) is optional and is available in paper mode only.

Kindergarten – Paper K: 3 marks each are contained by Questions 1-10 and 4 marks each by Questions 11-15, making a full score of 50. If a participant leaves a question unanswered, that question will be marked '0'. There is no penalty/deduction for wrong answers.

Primary 1 to 2 – Papers A and B: 3 marks each are contained by Questions 1-10, 4 marks each by Questions 11-20 and 6 marks each by Questions 21-25, making a full score of 100. If a participant leaves a question unanswered, that question will be marked '0'. There is no penalty/deduction for wrong answers.

Primary 3 to 6 – Papers C to F: 3 marks each are contained by Questions 1-10, 4 marks each by Questions 11-20 and 6 marks each by Free-Response Questions 21-25, making a full score of 100. If a participant leaves a question unanswered, that question will be marked '0'. There is no penalty/deduction for wrong answers.

AWARDS

Individual Top scorers in each category will receive Gold (top 5%), Silver (next 10%) and Bronze (next 15%) medals, and Merit (next 20%) awards, based on the national ranking of their country. Where fewer than 20 participants sit a category in a country, awards for that category are determined by the global ranking instead. Participants with equal scores receive the same award. Every participant receives an e-Certificate and an individual performance report showing their award and their global percentile.

Top Global The top three global scorers in each category (Papers K, A–F) will receive the 1st, 2nd and 3rd place trophies and be inducted into the JMMC Hall of Fame.

PREPARATION

To help prepare for JMMC you can download sample JMMC Questions, Answer Sheets and Full Solutions from www.jmmc-official.org. Sample papers provide an ideal opportunity for students to develop familiarity with the style of the papers and gain valuable experience answering real questions. We recommend that students practise JMMC papers 'under exam conditions' (e.g. timing).

IMPORTANT DATES

Sitting date: last week of October – 30 November

2026 (official date set by your JMMC country partner)

Registration closing: set by your country partner; registration lists reach JMMC Global at least 2 weeks before the sitting date

Results announcement: late January 2027

Medals and trophies dispatched: February 2027
